Certified by AssessFirst

A PROFILE OF THE PROMOTER TYPE

David BERNARD comes across as someone determined and strong-minded. He is proactive and always on the lookout for suggestions and actions to take his work forward. He has a flexible approach to his job and can easily handle change and unexpected events. The engaging way in which he presents his ideas leaves those he talks to in little doubt - you want to follow him. His leadership and desire for continual progress make him an incredible driving force in a team.

KEY STRENGTHS

In his interaction with others

- He finds it easy to be assertive in his relationships, sets the agenda.
- He tries to get his ideas across, inspires team spirit.
- He adapts his communication to those he talks to and is warm.

In his way of working

- He strives for excellence and is not satisfied with the bare minimum.
- He is very proactive and finds it easy to come up with new ideas.
- He adapts easily to change and has a positive view of it.

In his emotional management

- He radiates enthusiasm and sees the bright side of things.
- He is responsive, very energetic and has a sense of urgency.
- He expresses his feelings and finds it easy to communicate with people.
